

## **OSHPD Purchasing Authority Delegation Limits** **As of January 1, 2005**

Statutory authority for the competitive and non-competitive procurement of non-information technology (non-IT) goods and information technology goods and services for State government resides with the Department of General Services (DGS). DGS has the statutory authority to delegate its purchasing authority to departments that meet specific requirements. Purchasing authority granted by DGS to OSHPD includes use of the State's leveraged procurement agreements (CMAS, Master Agreements including WSCA and Cal-Store, Statewide Contracts, and State Price Schedules), purchases from Prison Industry Authority, and competitive and non-competitive authority. The chart below lists the dollar threshold granted to OSHPD by DGS for each purchasing category for both non-IT goods and information technology goods and services.
